Case No. 19-CV-06151 SVK

**(PROPOSED) FINAL ORDER AND  
JUDGMENT APPROVING  
SETTLEMENT AND DISMISSING THIS  
ACTION WITH PREJUDICE**

11 Plaintiffs A.O., A.S.R., L.C., R.M., and I.Z.M. (“Plaintiffs”), individually and on behalf  
12 of their Class, as defined below, and Defendants U.S. Citizenship and Immigration Services  
13 (“USCIS”); Department of Homeland Security (“DHS”); Ur M. Jaddou, in her official capacity  
14 as Director of USCIS; Alejandro Mayorkas, in his official capacity as Secretary, DHS; and Terri  
15 Robinson, in her official capacity as Director, USCIS National Benefits Center (“Defendants”)  
16 (with Plaintiffs and Defendants collectively referred to herein as the “Parties”), determined to  
17 settle the above-captioned matter (the “Action”) on the terms and conditions set forth in the  
18 Settlement Agreement dated August 17, 2021, and all exhibits thereto (the “Settlement  
19 Agreement”), the original of which is filed with the Clerk of the Court (this settlement process is  
20 hereafter referred to as the “Settlement”).

21 Currently pending is an application for final approval of the Settlement pursuant to Rule  
22 23(e) of the Federal Rules of Civil Procedure.

23 || The Court makes the following findings:

24       1. On August 19, 2021, the Court entered an Order Granting Motion for Preliminary  
25 Approval of Settlement Agreement (the “Preliminary Approval Order”) and directed that notice  
26 be given to the members of the Class of the proposed Settlement and Fairness Hearing.

1           2. In the Preliminary Approval Order, the Court approved the form of Class Notice  
 2 directed to members of the Class.

3           3. On August 26, 2021, the Parties distributed the Class Notice to all Class Members  
 4 through the following manner: (i) Plaintiffs posted the Class Notice (in English and Spanish),  
 5 including a copy of the Settlement Agreement; (ii) Plaintiffs directly contacted individuals on the  
 6 Notification List, through their counsel, by email to their counsel, attaching a copy of the Class  
 7 Notice (in English and Spanish) and the Settlement Agreement; (iii) Defendants posted the Class  
 8 Notice (in English and Spanish), including a copy of the Settlement Agreement, on USCIS's  
 9 website on the "Legal Resources, Legal Settlement Notices" and the "Special Immigrant  
 10 Juveniles" sections; (iv) Plaintiffs distributed the Class Notice (in English and Spanish),  
 11 including a copy of the Settlement Agreement, on relevant email/listserv mailing lists for direct  
 12 service providers; and (v) Defendants emailed the Class Notice (in English and Spanish),  
 13 including a copy of the Settlement Agreement, to its subscribed users). The Class Notice  
 14 informed Class Members of the Settlement terms and that the Court would consider the  
 15 following issues at the Fairness Hearing: (a) whether the Court should grant final approval to the  
 16 Settlement; (b) whether the Court should enter final judgment dismissing the Action with  
 17 prejudice; and (c) any objections by members of the Class to any of the above that were timely  
 18 and properly served in accordance with the Preliminary Approval Order.

19           4. Following distribution of the Class Notice, no objections to the Settlement were  
 20 filed with the Court or made at the Fairness Hearing.

21           5. In accordance with the Class Notice, the Fairness Hearing was held on November  
 22 23, 2021.

23           The Court, having entered the Preliminary Approval Order, having held the Fairness  
 24 Hearing, having reviewed all of the evidence and other submissions presented with respect to the  
 25 Settlement and related matters, and the record of all proceedings in this case, and having made  
 26 the foregoing findings,

27           It is hereby ORDERED, ADJUDGED, AND DECREED that:

1  
2       1. The terms of the Settlement Agreement are incorporated into this Final Order and  
3 Judgment, including the definitions and terms set forth in the Settlement Agreement.

4       2. The Class includes all individuals who meet the definition of the Class certified  
5 by the Court for settlement purposes on August 19, 2021:

6           California children who have been declared dependent on a juvenile court under Section  
7 300 of the California Welfare and Institutions Code and who have received or will  
8 receive denials of their SIJS petitions on the grounds that the state court cannot reunify  
9 them with their parents.

10      3. As set forth the in the Settlement Agreement, the settlement includes relief  
11 benefiting the Class. Defendants will no longer apply the challenged policy to Class Members  
12 and will adjudicate any pending Class Members' petitions in accordance with the terms of the  
13 Settlement Agreement.

14      4. Notice to the members of the Class has been given in an appropriate, adequate,  
15 and sufficient manner and the Class Notice was reasonably calculated to apprise interested  
16 parties of the pendency of the Action, the nature of the claims, the definition of the Class, and  
17 their opportunities to present objections to the Settlement. The Notice complied in all respects  
18 with the requirements of the Federal Rules of Civil Procedure, the United States Constitution  
19 (including the Due Process Clause), the rules of this Court, and any other applicable law.

20      5. Members of the Class were given the opportunity to object to the Settlement. No  
21 Class Members filed any such objection.

22      6. The Court finally approves the Settlement in all respects as fair, reasonable,  
23 adequate, and in the best interests of the Class pursuant to Rule 23(e). The Settlement was not a  
24 product of fraud or collusion, and the Court finds it satisfies Rule 23(e) after considering: (i) the  
25 complexity, expense, and likely duration of the Action; (ii) the stage of the proceedings and  
26 amount of discovery completed; (iii) the factual and legal obstacles to prevailing on the merits;  
27 (iv) the possible range of recovery; (v) the respective opinions of the Parties, including Plaintiffs,

1 Class Counsel, Defendants, and Defendants' counsel; and (vi) any objections submitted by  
 2 members of the Class.

3       7. The terms of the Settlement Agreement, including all exhibits to the Settlement  
 4 Agreement and to this Final Order and Judgment, shall be forever binding on the Class.

5       8. Neither the Settlement, this Final Order and Judgment, any papers related to the  
 6 Settlement, nor the fact of Settlement shall be used as a finding or conclusion of the Court, or an  
 7 admission by Defendants, of any fault, wrongdoing, or liability whatsoever.

8       9. The Parties shall carry out all the terms of the Settlement, including providing an  
 9 "Updated Notice" to all individuals on the Class List pursuant to the terms of the Settlement  
 10 Agreement.

11      10. Defendants shall have no liability or responsibility for any payments, fees, or  
 12 costs under this Final Order and Judgment or the Settlement aside from any fees and costs  
 13 awarded to Class Counsel.

14      11. The Parties, through their counsel, having engaged in arms-length settlement  
 15 negotiations, have reached a Fees and Costs Settlement Agreement for \$242,000 in attorneys' fees  
 16 and \$7,500 in class notice administration costs, to be awarded to Class Counsel, which settlement is  
 17 fair, reasonable, adequate, and equitable, and is in both Defendants' and Plaintiffs' best interests.

18      12. Plaintiffs and the Class Members shall, by operation of this Final Approval Order  
 19 and Judgment, be deemed to have waived the provisions, rights, and benefits of California Civil  
 20 Code section 1542, and any similar law of any state or territory of the United States or principle  
 21 of common law. Class Members shall retain the right to challenge the individual adjudication of  
 22 their SIJ Petitions.

23      13. Nothing in this Final Order and Judgment or the Settlement Agreement shall  
 24 preclude any action to enforce the terms of the Settlement as laid out in the Settlement  
 25 Agreement Section X.

26      14. Without affecting the finality of this Final Order and Judgment in any way, this  
 27 Court will retain exclusive continuing jurisdiction over all Parties and Class Members with

1 regard to implementation of the Settlement Agreement and enforcement and administration of  
2 the Settlement Agreement, including the release and fees provisions thereof, in accordance with  
3 the terms in the Settlement Agreement Section X. The Court may order any appropriate legal or  
4 equitable remedy necessary to enforce the terms of this Judgment and/or the Settlement.

5 15. The Action is dismissed with prejudice (except as otherwise provided herein).

6

7 This is a final and appealable judgment. The Clerk shall close the file.
